

For me to Change, I'm waiting for...

Tomorrow

Someone else to change first

For it to get better on its own

My turn

The rest of the Rules

The right person to come along

Time to almost run out

Someone to be watching

Permission

Someone to save me

To be distracted by something else

A clearly written set of Instructions

You to go first

For it to get even worse

More Time

More Confidence

Don't wait...this is your life and you deserve better.
